☐ Parent/Guardian Signature (must sign if student is under 18): _____ Date: ____/____/____

☐ American Welding Academy Signature (AWA staff use only): _____ Date: ____/____/____

Cancellation and Refund Policy

Upon signing the enrollment agreement and/or making an initial tuition payment, your enrollment may be canceled at any time prior to the first day of training. For a full tuition refund, a written notice must be submitted and received by American Welding Academy no less than 5 business days prior to the first day of training.

Once a student has attended the first day of training, any student withdrawal will require a written statement from the withdrawing student explaining the reason for program withdrawal and must include the student's signature. Any student of minor age who withdraws from a program must provide notice of withdrawal by a guarantor. Once training has begun and student withdrawal occurs, the student will receive a tuition refund as is described below.

Percentage of Course Completion	Percentage of Tuition to be Refunded
Less than 10%	75%
10% to 24%	50%
25% to 50%	25%
51% or more	NO REFUND AVAILABLE

*Calculations for percentage of course completion are determined based upon dividing the number of the program scheduled course hours, by withdrawal date (date student provides school with written notification of withdrawal).

Once training has begun, there will be NO refunds made for welding gear, tools, welding textbook/manual, metal, or supplies. The \$100 registration fee is non-refundable after 3 business days.

All refunds will be made within 90 days of the date of withdrawal or cancellation.

Please visit our student handbook on page 14 for the refund policy on VA Benefits.
